## **San Diego County Building Trades Council Statement of Condolence on the Death of Sergio Cruz**

SAN DIEGO, CA – The San Diego County Building & Construction Trades Council extends its sincerest condolences to the family, friends, and colleagues of Sergio Cruz, a journeyman Ironworker of Local 229.

Sergio was a highly regarded and beloved member of our Building Trades community for the past eight years. He was active in his union, often volunteering with Ironworkers Local 229 in community and union activities. He was a skilled tradesman who was well-respected by those working alongside him.

We share the sorrow of Ironworkers Local 229 and the broader Building Trades family at his passing.
